

# Certificate

presented to

**Leonel Moyou**

University of Yaounde

for his presentation

**“Design and Operations of Secure Resilient  
Systems: The state of the Art”**

in the DFG-Workshop on

**“Resilience aspects of complex IoT in real-time and  
non-real-time safety critical application scenarios”**

at IHP – Innovations for High Performance Microelectronics

---

Prof. Dr. Rolf Kraemer  
Head of System Design Department at IHP

Frankfurt (Oder), July 4<sup>th</sup>, 2019
